RECITALS

(A) The Borrower and the Lenders are parties to that certain Credit Agreement dated as of March 12, 2020 (as amended by Amendment No. 1 dated November 8, 2022, and as further amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement").

(B) The Borrower has requested that the Lenders agree to certain amendments to the Credit Agreement to provide additional covenant flexibility during the Borrower's Phase 2 operational restructuring program across its Precision Components, Industrial Systems, and Specialty Chemicals segments.

(C) The Borrower has represented that the Phase 2 restructuring program is expected to generate annualized cost savings of approximately $28,000,000 to $35,000,000 beginning in Q3-2025, and that gross restructuring charges of approximately $35,000,000 will be incurred during the Relief Period.

(D) The Required Lenders have agreed to the requested amendments, subject to the terms and conditions set forth herein.

(E) For the avoidance of doubt, this Amendment does not constitute consent by the Administrative Agent to treat the Mezzanine Notes issued by the Borrower on June 1, 2023 as Excluded Indebtedness under Section 1.01(e)(v) of the Credit Agreement. Any such consent must be separately requested and separately granted in writing.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I -- AMENDMENTS

Section 1.01. Amendment to Section 7.10(a) -- Net Leverage Ratio

Section 7.10(a) of the Credit Agreement is hereby amended by replacing the maximum Net Leverage Ratio with 5.00 to 1.00 (increased from 4.50 to 1.00), solely for the fiscal quarters ending September 30, 2024, December 31, 2024, March 31, 2025, and June 30, 2025 (the "Relief Period"). The original covenant level of 4.50 to 1.00 shall be reinstated commencing with the fiscal quarter ending September 30, 2025.

Section 1.02. Amendment to Section 7.10(c) -- Minimum Consolidated EBITDA

Section 7.10(c) of the Credit Agreement is hereby amended by replacing the minimum Consolidated EBITDA threshold of $100,000,000 with $80,000,000, solely for the fiscal quarters within the Relief Period. The original threshold of $100,000,000 shall be reinstated commencing with the fiscal quarter ending September 30, 2025.

Section 1.03. Clarification -- Mezzanine Notes and Excluded Indebtedness

For the avoidance of doubt, this Amendment does not modify the definition of 'Excluded Indebtedness' in Section 1.01 of the Credit Agreement, and does not constitute the Administrative Agent's written consent to treat the $85,000,000 10.00% PIK Mezzanine Notes due June 1, 2030 (the "Mezzanine Notes") as Excluded Indebtedness. The Mezzanine Notes shall continue to constitute 'Total Indebtedness' for all purposes of the Credit Agreement unless and until the Administrative Agent provides separate written consent pursuant to Section 1.01(e)(v). The Borrower acknowledges that any compliance certificate that excludes the Mezzanine Notes from Total Indebtedness without such written consent will be treated as containing a material error subject to the Administrative Agent's rights under Section 8.01.

Section 1.04. Restructuring Charges -- Circular Cap Acknowledgment

The Borrower acknowledges that the Restructuring Add-Back Cap of 10% of Consolidated EBITDA in Section 1.01(f) of the Credit Agreement is circular in nature and must be resolved by solving the resulting equation for Consolidated EBITDA, not by applying an iterative or fixed-dollar approximation. The correct formula is: Consolidated EBITDA = (Base EBITDA + Non-Circular Add-Backs) / (1 - 0.10), where Base EBITDA is Consolidated EBITDA before the restructuring add-back. The Borrower agrees to apply this methodology in all future compliance certificates.

Section 1.05. No Other Amendments

Except as expressly set forth in this Article I, the Credit Agreement and each other Loan Document shall remain unchanged and in full force and effect.

ARTICLE II -- REPRESENTATIONS AND WARRANTIES

The Borrower hereby represents and warrants to the Administrative Agent and each Lender that, as of the Amendment Effective Date:

Section 2.01. No Default or Event of Default has occurred and is continuing as of the Amendment Effective Date or would result from the effectiveness of this Amendment.

Section 2.02. The representations and warranties of the Borrower set forth in Article IV of the Credit Agreement are true and correct in all material respects as of the Amendment Effective Date.

Section 2.03. The Borrower has the corporate power and authority to execute, deliver and perform this Amendment.

Section 2.04. This Amendment constitutes the legal, valid and binding obligation of the Borrower.

ARTICLE III -- CONDITIONS TO EFFECTIVENESS

This Amendment shall become effective on the date (the "Amendment Effective Date") on which each of the following conditions precedent has been satisfied or waived:

(1) The Administrative Agent shall have received counterparts of this Amendment, duly executed by the Borrower and the Required Lenders.

(2) The Administrative Agent shall have received a certificate of a Responsible Officer certifying no Default exists and representations are true and correct.

(3) The Borrower shall have paid all fees and expenses of the Administrative Agent in connection with this Amendment.

(4) The Administrative Agent shall have received a Phase 2 restructuring plan summary in form and substance reasonably satisfactory to the Administrative Agent.

ARTICLE IV -- GENERAL PROVISIONS

4.01 Ratification.

Except as expressly amended hereby, the Credit Agreement and each other Loan Document shall remain in full force and effect and are hereby ratified and confirmed. This Amendment shall not constitute a waiver of any Default or Event of Default, whether or not known to the Administrative Agent.

4.02 Governing Law.

This Amendment shall be governed by, and construed in accordance with, the laws of the State of New York.

4.03 Counterparts.

This Amendment may be executed in any number of counterparts, each of which shall be an original and all of which, taken together, shall constitute one and the same instrument. Delivery of an executed counterpart by electronic transmission shall be equally effective as delivery of a manually executed counterpart.

4.04 Entire Agreement.

This Amendment, together with the Credit Agreement and the other Loan Documents, constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior and contemporaneous understandings, agreements, representations and warranties.

4.05 Loan Document.

This Amendment constitutes a Loan Document for all purposes of the Credit Agreement.
