(C) The Borrower has represented that it is undertaking a Phase 1 workforce reduction and facility consolidation program expected to generate annualized cost savings of approximately \$18,000,000 to \$22,000,000 beginning in Q3-2025.

(D) The Required Lenders have agreed to the requested amendments, subject to the terms and conditions set forth herein.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I -- AMENDMENTS

Section 1.01. Amendment to Section 7.10(a) -- Net Leverage Ratio

Section 7.10(a) of the Credit Agreement is hereby amended by replacing the table of maximum Net Leverage Ratio levels with the following, solely for the fiscal quarters ending September 30, 2024, December 31, 2024, March 31, 2025, and June 30, 2025 (the "Relief Period"): the maximum Net Leverage Ratio shall be 5.00 to 1.00 (increased from 4.50 to 1.00). For all fiscal quarters outside the Relief Period, the original covenant levels set forth in the Credit Agreement shall apply without modification. For the avoidance of doubt, the Net Leverage Ratio covenant shall revert to 4.50 to 1.00 commencing with the fiscal quarter ending September 30, 2025.

Section 1.02. Amendment to Section 7.10(d) -- Minimum Consolidated EBITDA

Section 7.10(d) of the Credit Agreement is hereby amended by replacing the minimum Consolidated EBITDA threshold of \$110,000,000 with \$95,000,000, solely for the fiscal quarters within the Relief Period as defined in Section 1.01 above. The original threshold of \$110,000,000 shall be reinstated commencing with the fiscal quarter ending September 30, 2025.

Section 1.03. Restructuring Charges -- Clarification

For the avoidance of doubt, the definition of Consolidated EBITDA in Section 1.01 of the Credit Agreement is not amended hereby. The Restructuring Add-Back Cap of 10% of Consolidated EBITDA remains in effect and is circular in nature: the cap is calculated as a percentage of Consolidated EBITDA, which itself includes the capped restructuring add-back. The Borrower acknowledges that the correct method of resolving this circular reference is to solve the resulting equation symbolically rather than applying an iterative or fixed-dollar approximation. The Administrative Agent reserves all rights with respect to any compliance certificate that applies an incorrect cap methodology.

Section 1.04. No Other Amendments

Except as expressly set forth in this Article I, the Credit Agreement and each other Loan Document shall remain unchanged and in full force and effect. Without limiting the foregoing, the definitions of 'Total Indebtedness', 'Excluded Indebtedness', 'Net Debt', and 'Consolidated Cash Interest Expense' are not amended hereby. In particular, the requirement that any Indebtedness claimed as Excluded Indebtedness under Section 1.01(e)(v) must be subject to a written Subordination Agreement in form and substance acceptable to the Administrative Agent, and for which the Administrative Agent has provided prior written consent, remains in full force and effect.

ARTICLE II -- REPRESENTATIONS AND WARRANTIES

The Borrower hereby represents and warrants to the Administrative Agent and each Lender that, as of the Amendment Effective Date:

Section 2.01. No Default or Event of Default has occurred and is continuing as of the Amendment Effective Date or would result from the effectiveness of this Amendment.

Section 2.02. The representations and warranties of the Borrower set forth in Article IV of the Credit Agreement are true and correct in all material respects as of the Amendment Effective Date.

Section 2.03. The Borrower has the corporate power and authority to execute, deliver and perform this Amendment, and the execution, delivery and performance of this Amendment have been duly authorized by all necessary corporate action.

Section 2.04. This Amendment constitutes the legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its terms.

ARTICLE III -- CONDITIONS TO EFFECTIVENESS

This Amendment shall become effective on the date (the "Amendment Effective Date") on which each of the following conditions precedent has been satisfied or waived:

- (1) The Administrative Agent shall have received counterparts of this Amendment, duly executed by the Borrower and the Required Lenders.
- (2) The Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower certifying that (i) no Default or Event of Default exists and (ii) the representations and warranties in Article II hereof are true and correct.
- (3) The Borrower shall have paid all fees and expenses of the Administrative Agent (including reasonable attorneys' fees) in connection with this Amendment.
- (4) The Administrative Agent shall have received a restructuring plan summary, in form and substance reasonably satisfactory to the Administrative Agent, describing the Phase 1 restructuring program and expected timeline.

ARTICLE IV -- GENERAL PROVISIONS

4.01 Ratification.

Except as expressly amended hereby, the Credit Agreement and each other Loan Document shall remain in full force and effect and are hereby ratified and confirmed. This Amendment shall not constitute a waiver of any Default or Event of Default, whether or not known to the Administrative Agent.

4.02 Governing Law.

This Amendment shall be governed by, and construed in accordance with, the laws of the State of New York.

4.03 Counterparts.

This Amendment may be executed in any number of counterparts, each of which shall be an original and all of which, taken together, shall constitute one and the same instrument. Delivery of an executed counterpart by electronic transmission shall be equally effective as delivery of a manually executed counterpart.

4.04 Entire Agreement.

This Amendment, together with the Credit Agreement and the other Loan Documents, constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior and contemporaneous understandings, agreements, representations and warranties.

4.05 Loan Document.

This Amendment constitutes a Loan Document for all purposes of the Credit Agreement.
